Project Title: Vocaloid Website

The website will be multiple pages.

- **Home Page/Introduction** – introduction to what Vocaloid is and an overview of what the rest of the website will offer
- **History and technology** – technology behind the voices
- **Vocaloids** – introduce Vocaloids (probably most well-known)
- **Discography** – most popular songs and creators
- **Impact** – cultural impact on music
- **Sources** – list all sources used like the Wikipedia page and images
 - <https://en.wikipedia.org/wiki/Vocaloid>
